Introduction

February Clinic is a fun way to skill advancement for the young hockey enthusiast.

This program's success is because of the instructor's commitment to teaching skill development in a positive, encouraging, and progressive environment. All too often the winter season gets caught up in the team's wins and losses at the expense of your child's skill development.

Skill development is the key to your child's success as they go through the different levels in their hockey career. These skills need to be developed and reinforced as their motor skills develop through adolescence. February Clinic is dedicated to help in your child's quest to the best player they can be. Work hard and most of all,

HAVE FUN!

Levels & Times: Mon-Thurs

- Mites & Squirts 8am
- Pee Wee & Bantam 9:10am

Program Director

Yvon Corriveau has 20 years of professional hockey experience, including 1200 games from 1985 - 2005. Drafted to the NHL Washington Capitals, in the first round in 1985, he played 360 regular NHL games with the Washington Capitals, the Hartford Whalers and the San Jose Sharks, as well as in 50 NHL playoff games. In addition, he played 430 regular season IHL and AHL games, winning both the Calder and Turner Cups. Yvon finished his career playing over 400 games in the DEL (Deutsche Elite League) in Berlin, Germany, serving as Captain of the Berlin Capitals.

Having been coached by some hockey greats over the course of his extensive career, Yvon himself has successfully transitioned into a top youth hockey coach - sought by players near and far for his amazing teaching methods.

Feeling fortunate to have had the unique opportunity to experience the vast differences between North American and European styles of hockey, Yvon combines the best elements of each in his training techniques.

Yvon Corriveau provides a nonstop learning experience for all participants.
