## Juniors Program

US Figure Skating Learn to Skate Program  
2009/2010 Session 2

The Juniors program is designed to advance the skater from Learn to Skate to more individualized instruction. All skaters must be current Basic Skills or Full USFS Member (add'l \$10 fee if not a member). Skaters *must not* have passed any USFS Freestyle tests to participate. The Juniors program will introduce semi-private instruction on freestyle practice ice and will also have the option of incorporating extra practice and/or Champions on and off ice classes to their training. Skaters will learn how to take the skills learned in their technical lesson (either Learn to Skate or private instruction) and learn how to (1) apply those skills and (2) how to navigate around skaters on a freestyle session when they are practicing.
