As team coach I accept the responsibility of insuring that all skaters on my team are current, 2019-2020 Individual or Professional members of the Ice Sports Industry (ISI) and are participating at the test level(s) currently on file with the ISI. I agree to correct any test or membership issues that may result in the pre-event national audit, prior to the start of the competition on Sunday March 22, 2020. Should any skaters on my team participating in the 2020 Champions Challenge Cup prove, in the national exit audit, to either be non-members of the ISI or have skated at untested level(s), I accept that any team points accrued from their performance(s) will be deducted from the team point total, as well as a 25 (twenty-five) point penalty per non-compliant skater. The participation of any Professional, as a judge representing my team who is either a Professional non-member or non-compliant in their judge's certification(s) will result in a team point penalty of 50 (fifty) points.

I agree to be available throughout the competition as team coach. I agree to make sure we have judges available to fill all of our required judging slots. I have let all of the judges know that a judging requirement takes precedence over putting a skater on the ice.

All judges are registered with and certified by the ISI as of March 1, 2020.

Only credentialed coaches will be allowed to put skaters on the ice. ALL participating teams *must* submit a completed judge's form with the required number of judges based on the number of entries as indicated in the announcement.
